Profile

I'm a curious mind, always eager to unravel the complexities of cybersecurity. From firewalls to phishing attacks, I'm fascinated by the ever-evolving landscape of digital threats.

I'm committed to staying updated on the latest threats and vulnerabilities. As an active member of MLSA, NSS, and Toastmasters International, I've honed my communication and teamwork skills. Let's collaborate to build a more secure digital future.

Employment History

MLSA Outreach & Communication Member
10/2024–Present

Became an active member of Microsoft Learn Student Ambassador [MLSA] team at Rungta College Of Engineering & Technology in the Outreach and Connections Team. My responsibilities are to connect with a large number of people's and Convey them about what is Mlsa, what are we basically doing, and after all these I update them about the upcoming events, hackathons and any other things organised by our MLSA Team.

ToastMaster's International Member
09/2024–Present

Became the official member of ToastMaster's International Club. I have choosen Strategic Relationship as my Pathway, among other pathways. I am glad to get a chance to be the part of this Prestigious Club.

Being a member of it will really help me develop my Public Speaking, Communication, and Leardership Skills. This organisation has a Worldwide Network of Clubs that meet in person, online, or in a hybrid format.

National Service Scheme Volunteer
09/2024–Present

I am involved in NSS Club because I have always wanted to contribute myself towards the society where I live, towards my Country, towards the better future. The primary objective of NSS is in developing the personality and character of a student youth through Voluntary Community Service. On doing the activities towards the Societies, it also develops my personality and character.
